## Property walk through

Behind the replacement entrance door with its attractive stained glass panels is a cosy sitting room with a fireplace to one wall. To either side of the fireplace are built in shelving units and storage cabinets. A wooden fire surround is in situ. Flooring is in laminated wood and there is a "sash" style double glazed window to the front elevation. A small pane glazed door opens into the Kitchen/breakfast room. An excellent range of cabinets and drawer units are fitted at base and high levels with a single bowl sink unit located under the window looking into the sheltered courtyard. This is one of two windows in the room allowing a plentiful flow of natural light. A natural housing is available for an upright fridge freezer and the staircase rises from this room to the first floor. Access a small rear lobby which has a large built in cupboard containing the gas fired central heating boiler. A UPVC door opens from this lobby into the courtyard and garden areas. beyond the lobby is the bathroom with a panelled bath, electric shower, WC and wash basin. The flooring to this area is tiled. On the first floor there are two double bedrooms, the bedroom to the front elevation having aspects over the River Ouse as it meanders its way through town. Both bedrooms have "sash" style double glazed windows.

Outside, stepping up to the frontage which is enclosed behind brick walling a footpath off to the right gives access through a wooden gate to the rear garden. The footpath extends around the property to the courtyard at the rear. There is also a paved patio area and an elevated lawn enclosed within a brick retaining wall all contained and made private by a brick boundary wall with trellis mounted over. This garden is very sheltered and secluded and ideal for al fresco dining.
