The Main Text

Offered for sale with no onward chain, this well-proportioned two-bedroom retirement apartment forms part of David Davies House on Wyndham Street, conveniently positioned for access to Barry town centre and a range of everyday amenities.

Available to purchasers aged 55 and over, the property offers practical, single-level accommodation and represents an excellent opportunity for those looking to downsize to a more manageable home while retaining two bedrooms, comfortable living space and the benefit of an allocated parking space.

The accommodation is approached via a central entrance hall, which provides access to the principal rooms and includes useful built-in storage.

The main reception room is a comfortable, versatile living space with a window that provides natural light and ample space for seating and additional furniture. From here, a door leads directly into the separate kitchen.

The kitchen provides a good selection of fitted wall and base units, work surfaces, tiled splashbacks, a sink, and space for appliances. A window provides additional natural light and ventilation.

There are two bedrooms, including a particularly generous principal bedroom and a well-proportioned second bedroom, making the accommodation suitable for those requiring a guest bedroom, hobby room or home office in addition to the main sleeping accommodation.

Completing the apartment is a tiled shower room comprising a shower enclosure, wash hand basin and WC.

Externally, residents benefit from communal outdoor space, including an attractive lawned garden with established planting and seating areas. The apartment also benefits from one allocated parking space, providing valuable off-road parking within

the development.

The property is situated in a convenient position for Barry's shops, services, and public transport connections, while Barry Docks railway station provides rail services to Cardiff Central, Barry Island, and Bridgend.
