This spacious semi-detached house has been fully refurbished to a high standard and offers no onward chain.

Internally the accommodation includes an entrance hall leading to modern fitted kitchen with dining space offering good natural light, utility room, cloakroom/W.C and lounge which includes a media wall with electric fire and space for television.

All three bedrooms benefit from built-in wardrobes, maximising storage and helping to keep rooms organised and uncluttered. There is a bathroom/w.c serving the property.

Externally, to the front of the house there is a block paved drive providing off street parking for multi vehicles and a gravel area. To the rear there is an enclosed lawn garden with paved and decked seating areas.

The location places residents within reach of local amenities, including shops, everyday services and community facilities found in the surrounding Newcastle upon Tyne area. Nearby schools make this setting practical for families with children of school age.

Public transport links are accessible, with local bus services connecting to Newcastle city centre and surrounding districts for work, study and leisure. Newcastle Central Station provides onward rail connections across the region and to major UK cities, while the wider Tyneside transport network supports commuting and access to local attractions. Rook Matthews Sayer would highly recommend an internal viewing to appreciate the accommodation and location on offer.
