Built in 2019, this modern two-bedroom semi-detached home offers a practical layout, private garden, two parking spaces and an enviable end-of-street position.

The lounge provides a comfortable main living space with the open staircase adding a sense of space and connection between the floors. From here, the accommodation continues through to the modern kitchen, which benefits from French doors opening directly onto the garden. An under-stairs cupboard provides useful additional storage, while the ground-floor WC adds everyday convenience.

The first-floor landing leads to two bedrooms and the family bathroom. Currently used as a study, the second bedroom offers useful flexibility depending on the needs of the next owner. A three-piece family bathroom sits between the bedrooms.

The property enjoys an attractive position at the end of the street, with two side-by-side parking spaces directly in front of the house. The rear garden is enclosed by fencing and laid mainly to lawn, with a small paved patio providing space for outdoor seating. With green space surrounding the property and no direct overlooking, the setting feels particularly pleasant and private.
