Heald Green SK8 3LQ

£425,000

This extended Ben Turner detached home is located on a much sought-after cul-de-sac. The property provides a great family home with the option to add even more accommodation if desired, subject to the necessary permissions being obtained. It is positioned within easy reach of open green space: Playing fields and grassland can be accessed on foot, just across the road.

The property stands behind a garden area with a driveway providing off road parking space, leading to an attached garage. The rear garden is of a good size, with raised seating deck, a central lawn and mature planted borders.

The house has recently benefited from new carpets and a renewed bathroom suite. An entrance porch opens to an entrance hallway with storage. There is a living room to the front of the house, with a bay window and an inglenook feature. Glazed sliding doors open to an extended sitting room, with sliding double-glazed doors to the deck and garden. A dining kitchen (with new flooring) runs across the rear of the property, behind the attached brick-built garage: The garage could potentially convert to further living space subject to Building Regulation approval.

To the first floor is a landing with access to the bedrooms: Two good double rooms, a single bedroom, a bathroom which is fitted with a modern white suite and a separate WC.

New Hall Avenue is well-placed for access to amenities, transport networks and schools (both State and Private). Heald Green Village and Rail Station (direct trains into Manchester) are approximately half a mile from the house. Cheadle Masjid (Mosque) is less than a mile away. An internal inspection is NOT TO BE MISSED in order to fully appreciate this property and to understand the options and potential available here.
