Originally the former Imperial Tobacco headquarters, the building was sympathetically converted in 2007 by Urban Splash into contemporary apartments full of character and architectural interest. Set within approximately 10 acres of beautifully landscaped communal gardens and centred around a private lake, Lake Shore offers a unique blend of tranquil, waterside living within easy reach of the city centre.

Residents benefit from an excellent range of on-site facilities, including a free gym, private fishing lake, barbecue area, 24/7 security, and secure bike storage. Secure parking is available to purchase separately via Urban Splash (please note this is not included with the property).

This delightful studio apartment features modern open-plan living with impressive high ceilings and floor-to-ceiling windows that flood the space with natural light. The property also offers a balcony area, a fitted kitchen, and a spacious shower room, all finished in a contemporary style.

Ideally positioned close to local shops, amenities and bus routes, the development also enjoys direct access to the Malago Greenway cycle path, providing a convenient and scenic route into the city.
