Open Day – 16/05/2026, 1pm to 3pm – All viewings strictly by appointment only.

A beautifully presented and deceptively spacious two bedroom semi detached home in the ever popular area of Wolverton, Milton Keynes. Built with the proportions of a three bedroom home but configured as a generous two bedroom, this property offers excellent space, modern living and fantastic value for money.

Internally, the home is finished to a high standard throughout and is ready to move straight into. The ground floor offers a bright and welcoming living room leading through to a stylish kitchen diner, perfect for both everyday living and entertaining. A real standout feature is the unique downstairs WC combined with a utility space, adding practicality rarely found in homes of this type.

Upstairs, the property continues to impress with two well proportioned bedrooms that benefit from the larger than average footprint, alongside a modern family bathroom.

One of the key benefits of this home is the inclusion of thermal solar panels, which directly support the hot water system. This helps reduce energy costs by heating water throughout the day and assisting the central heating system, making the home more efficient and cost effective to run.

Externally, the property boasts a well maintained south east facing rear garden, ideal for enjoying morning and afternoon sun. To the front, there is parking for one vehicle with the ability to accommodate two cars in tandem.

The location is equally appealing. You are approximately an 11 minute walk to Radcliffe Secondary School, around a 4 minute walk to a local convenience shop, and roughly a 12 minute walk to a popular children's play park and Wolverton Swimming and Fitness Centre. Wolverton train station is approximately a 6 minute drive away, offering direct links into London Euston, making this a great option for commuters.

This is a fantastic opportunity to secure a modern, energy efficient home in a well connected and sought after location.
