SUMMARY

Guide Price: £525,000 - £550,000:

A beautifully presented detached chalet bungalow featuring five double bedrooms, two with en-suites, situated on a sought-after residential road and accessible via a private driveway.

This home offers flexible and spacious living areas throughout, showcasing a large enclosed rear garden, with a garage and additional driveway parking.

Conveniently located, this property provides easy access to Exeter City Centre, supermarkets, Exeter Arena, and highly-rated nursery and schools, as well as local parks including Heavitree Park, which includes a Park Cafe. Transport links are superb, with straightforward access to the M5, A38, and A30. There are also bus routes and train stations nearby, including Polsloe railway station, which connects to Exeter Central, Digby & Sowton, Topsham, Exmouth stations, and Pinhoe station for national services to London. Additionally, McColls Convenience Store with a Post Office Counter is conveniently just around the corner on Pinhoe Road.

The generous accommodation features an entrance porch, hallway, a living room with a front aspect, a modern kitchen equipped with a range of shaker-style wall and base units, a breakfast bar, two built-in ovens, and an integrated dishwasher. There is also a separate utility room with direct access to the rear garden, and a spacious conservatory offering a lovely view of the rear garden. There are three double bedrooms on the ground floor, and a contemporary bathroom with a shower and wet room option. On the first floor, you will find two additional double bedrooms, both complete with en-suite shower rooms.

OUTSIDE

At the rear of the property, there is a spacious enclosed rear garden, primarily laid to lawn. Planted borders feature a diverse array of seasonal plants. The garden has two apple trees, a cherry tree, and a plum tree. There are also two goosberry bushes and a rhubarb plant. The garden stretches along the side of the property, where an area of decorative stone chippings is present, providing space for a greenhouse. Gated access is available on both sides of the bungalow, allowing entry to the front of the property. The front garden consists of decorative stone chippings and includes a pond.

In front of the property, there is a single garage, along with additional off-road parking available on the driveway.
