Living Room

View

Accessed via a well maintained communal entrance, this attractive apartment opens into a private hallway and offers a bright dual aspect, well presented living room with delightful fell and mountain views.

There is a separate contemporary breakfast kitchen, again with lovely views and offering ample space for both cooking and dining. With soft grey wall and base units, inset stainless steel sink, wood work surfaces, and integrated appliances of; 4 ring induction hob, double oven and extractor fan. The modern touches of tiled splash back and laminate flooring finish the area off perfectly, this immaculate kitchen has everything one could need to cook up a delicious meal.

There are two generously sized double bedrooms, bedroom one being dual aspect and enjoying the most wonderful views towards The Old Man and Grizedale Forest - the perfect scene for those morning coffees. Bedroom two, which also has stunning views, so there's a treat for the eyes for all guests.

The superb bathroom is spacious and modern with a freestanding roll top, claw foot bath, enclosed corner shower, WC and pedestal wash hand basin. There is also a heated towel rail and an illuminated mirror. The perfect, relaxing bathroom to take a soak after a long day on the high fells.

From the hallway there is a box room with skylight which is an ideal storage room but could perhaps be utilised as a small home office or bike store.

Outside there is a bin store for both properties and the current owners have a private arrangement with a neighbour for a car parking provision at £100 per month.

The property benefits from gas-fired central heating and double glazing, making it comfortable and economical to run whether used as a permanent residence, a weekend retreat, or a holiday let.

An excellent property in a highly desirable location, early viewing is strongly recommended.
