## Overview

Situated within the highly sought after Woolmers Field development and constructed by the well regarded Mazzard Homes, this impressive nearly new three double bedroom family home is offered to the market with no onward chain and benefits from the remainder of its 10-year NHBC warranty.

Offering accommodation more commonly associated with many four bedroom homes, the property provides generous living space throughout, making it ideal for growing families and those seeking room to entertain. The welcoming entrance hall creates an excellent first impression, featuring a convenient ground floor cloakroom, useful understairs storage and staircase rising to the first floor.

A particular highlight of the home is the stunning open-plan kitchen/dining space. Designed with modern family living in mind, this beautifully proportioned room offers an abundance of space for cooking, dining and socialising. Whether hosting dinner parties, entertaining friends or enjoying everyday family life, the kitchen provides the perfect hub of the home with ample room for both practical living and relaxed gatherings. The spacious lounge is equally impressive, flooded with natural light from three windows and offering a comfortable and inviting space to relax. In addition, the entire ground floor of the property also benefits from having underfloor heating.

To the first floor are three exceptionally generous double bedrooms, with the overall square footage comparable to many four-bedroom properties. The principal bedroom benefits from its own en-suite shower room, while the remaining bedrooms are served by a well-appointed family bathroom comprising a modern white suite with panelled bath and shower over, wash hand basin and WC.

Externally, the property enjoys a private walled rear garden, creating an attractive and secure outdoor space. To the rear, there is a large driveway providing ample off-road parking in addition to a single garage, offering excellent storage and practicality as well as a car charging point. The property also benefits from having solar panels helping to improve energy efficiency and reduce running costs.

Combining spacious accommodation, a superb entertaining kitchen, excellent parking facilities and a desirable modern development location, this is a wonderful opportunity to acquire a stylish and spacious family home ready to move straight into.
