Marcus Way, Mount Huddersfield,

Offers over £425,000

Enjoyed by the current owners for many years, and thoughtfully extended from its original form, is this five-bedroom family home. It is situated in the highly regarded residential area of Mount, well placed for recommended local schooling and with convenient access to the M62 motorway network. The accommodation comprises an entrance hall, open-plan living room leading to a living/dining area, fitted kitchen with integrated appliances, utility, downstairs shower room and integral garage with an electrically operated roller shutter door. On the first floor, there are five well-proportioned bedrooms and a family bathroom. The property has a gas-fired central heating system and is predominantly uPVC double-glazed. Externally, the property benefits from a concrete driveway to the front, providing off-road parking for multiple vehicles. At the rear, there is a low-maintenance garden, ideal for outdoor entertaining.

Entrance Hall

A uPVC door with a decorative double-glazed insert opens to the entrance hall, where there is tiling to the floor, ceiling downlighting and a radiator. A balustrade and spindle staircase leads up to the first floor landing. From here, access can be gained to the following rooms:

Living Room

This room is positioned at the front of the property and has a lovely uPVC double-glazed window overlooking the garden. There is ceiling downlighting, laminate style flooring and a radiator. An archway gives access to the living/dining area.

Details

Living/Diner

This area has a lovely feature exposed stone wall, ceiling downlighting, a serving hatch into the kitchen, laminate style flooring running throughout that continues into the dining area. There is plenty of space for a dining table, a ceiling light point, wall light points and a radiator. A uPVC window allows natural light from the side elevation and a set of French style uPVC doors give access to the rear garden.

Kitchen

The kitchen can be accessed via the living/diner and the hallway. It has a range of wall and base cupboards, drawers, roll edge worktops, a one-and-a-half bowl stainless steel sink unit with twin taps and brick style tiled surrounds. Integrated appliances include a double oven, four-ring gas hob and filter hood. The worktop incorporates a breakfast bar. There is a useful under stairs pantry, tiling to the floor, ceiling downlighting and a radiator. A timber door gives access to the utility.

Utility

The utility has working surfaces, wall cupboards, space and plumbing for an automatic washing machine and space for an American style fridge freezer. There is a ceiling light point and a timber door leading to a downstairs shower room. A uPVC door with a double-glazed insert gives access to the side elevation.

Downstairs Shower Room

This room comprises a low-level WC, a pedestal hand basin with mixer tap and a corner shower cubicle, home to a Triton electric shower. A uPVC double-glazed window provides natural light from the rear elevation. There is a ceiling light point, an extractor fan and laminate style flooring.

Integral Garage

Accessed from the utility area, the integral garage has an electrically operated roller shutter door, a uPVC window allowing natural light from the side elevation and a ceiling light point. This area is also home to the electric fuse board and the Vaillant central heating boiler.
