DESCRIPTION

This attractive Georgian end of terrace house occupies part of this highly favoured conservation area and contains properties of similar age and varying design all of which combine to create an exceptional setting. In addition there is the convenience of the shopping centre of Altrincham with its highly popular Market Hall which contains a variety of small independent retailers and informal dining options. In addition, the Metrolink station provides a frequent commuter service into the City of Manchester.

The superbly presented accommodation is approached beyond a welcoming entrance hall and still offers much of the original character and charm. To the front there is a superbly proportioned sitting room with the focal point of a wood burning stove set upon a stone hearth and double opening glazed doors lead onto the spacious dining room which is ideal for formal entertaining. The kitchen is fitted with a range of Shaker style units complemented by integrated appliances and there is access to the delightful courtyard garden with paved seating area.

At first floor level the generous primary bedroom benefits from built-in wardrobes and en suite shower room/WC. A further double bedroom with built-in wardrobes is served by the bathroom/WC complete with separate shower enclosure and freestanding bath.

The loft room is currently used as a study and accessed from the landing via a space saving staircase. There is also provision for storage within the eaves.

Externally there is off road parking within the block paved driveway. An adjacent York stone footpath with cobblestone border leads to the front of the house flanked by a garden laid mainly to lawn and screened from the carriageway by mature borders. To the rear a walled courtyard garden benefits from a high degree of privacy and is ideal for alfresco dining.

Gas central heating has been installed together with timber framed laminated glass windows.

In conclusion, a Grade II listed Georgian House in close proximity to the town centre and viewing is highly recommended.
