Tucked away along an unmade lane in Greenbottom, The Old Barn is a wonderfully quirky and characterful property, arranged over three levels and enjoying private gardens.

Although currently utilised as a one-bedroom residence, the accommodation offers a flexible layout which, in our opinion, could lend itself well to two-bedroom use, subject of course to an individual buyer's requirements.

An entrance hallway welcomes you into the property, with direct access to the shower room and a generously sized living room. This charming reception space enjoys sliding doors opening out to the rear garden and offers ample room to be used as a combined living/dining area if desired.

From the hallway, steps lead down to the kitchen and an additional room which could potentially be used as a second bedroom, study or further reception space. Our clients have previously used this area as an additional sitting room, further highlighting the flexibility of the layout. Further steps from the hall lead up to the main bedroom.

Externally, The Old Barn benefits from a single garage and comfortable parking for at least two vehicles. One of the property's standout features is undoubtedly the garden. Generous in size, well planted and enjoying a good degree of privacy, the gardens provide a lovely setting and include a wildlife pond. The property also benefits from solar panning.

Full of individuality and charm, The Old Barn is likely to appeal to buyers seeking something a little different in a private setting. Viewings are highly recommended.
