£650,000
FREEHOLD

Wonderful, semi detached home situated in a unique cul de sac location, with woods and a recreational sports field opposite and some lovely walks accessed at the end of the private road, this house has been extensively updated and enlarged by the current owners to offer a generously proportioned family home with the benefits of ample parking and a delightful, west facing garden.

Through the front door there is an entrance hall, with built in storage and a window to the front. There is a dual aspect living room, which has a wood burner, and double doors to a custom cat garden which doubles as a delightfully secluded patio area. In addition, you have a spacious kitchen/dining room, which is also dual aspect and has a high quality kitchen, complete with granite work surfaces and mobile island, as well as direct access to the rear garden. Beyond the dining area is a utility room, which benefits from a stable door to front, providing easy access for shopping and laundry, as well as a door to the downstairs WC.

On the first floor there is a landing with a window to the front and loft access. To the rear is the principal bedroom, which has a range of fitted wardrobes and overlooks the gardens. There are three further bedrooms and a generous bathroom, with freestanding bath and a fitted shower.

To the front you have a well kept garden area, with fenced boundaries, and a driveway for 3 cars as well as an EV charging point. A secure side access leads you through to a 50ft west facing garden that has a composite decked area, ample lawns and two timber clad blockwork outbuildings, one of which has power cabled to it.

Nearby there is a superb local pub called the Queens Head, which has regular events. In addition, you have a wonderful village shop in South Nutfield, just over half a mile away. There is also a train station, which offers services to Redhill, and from there on to central London.
