Material Information

- Lease: 999 years from 29/09/1972.
- Current annual ground rent: £193.00 (£96.50 paid every 6 months).
- Ground rent review period: Not a fixed periodic review. The lease provides for the rent to be recalculated on each sale or remortgage of the property, based on the sale/mortgage price. This is overridden by a 1977 Deed of Variation, which caps the rent by reference to the property's rateable value.
- Review increase: Under the original lease, the rent would increase on each qualifying sale, calculated by reference to the amount by which the sale price exceeds the highest price previously paid. This increase is capped by a 1977 Deed of Variation, which states the rent can increase to 1% of the price but this is subject to the overall break on the rateable value.
- Current annual service charge: £850.00 (£425.00 paid every 6 months).
