The sitting room is a beautifully appointed space, full of warmth and character, featuring a charming log-burning stove as its focal point. Dual aspect windows provide excellent natural light, while a built-in storage cupboard offers practical convenience. From here, stairs ascend to the first-floor landing, and an external door opens to the outside. A side hall leads to the cloakroom and family bathroom, seamlessly connecting function and comfort. The bathroom is tastefully fitted with a shower-over-bath arrangement, wash basin, and heated towel rail. The adjacent cloakroom includes a WC and wash basin, ideal for guests and everyday use. The dining area is a generous and inviting space, easily accommodating a family-sized table and chairs — perfect for both everyday meals and entertaining. Built-in storage cupboards add functionality, while access is provided to both the store room and the kitchen/breakfast room. Formerly the main kitchen, the store room now offers a highly practical space, ideal for additional storage or utility use. The kitchen/breakfast room is well-appointed with a range of wall and base units, a useful pantry cupboard, and integrated appliances including an oven with hob above. There is ample space for a fridge/freezer, along with plumbing for a dishwasher, making this a truly functional heart of the home. Beyond the kitchen, the utility room provides further convenience, with plumbing for a washing machine.

First Floor

An elegant staircase rises to a spacious landing, gracefully connecting all three bedrooms. The principal bedroom is a generously proportioned double, enhanced by dual windows that bathe the room in natural light. A ceiling fan offers year-round comfort, while a fitted double wardrobe provides excellent storage without compromising on style. The second bedroom is also a comfortable double, featuring twin windows that capture picturesque views across open fields. Thoughtful touches such as eaves storage and a charming hand basin add to the room's individuality and appeal. The third bedroom, equally well-sized, is currently arranged as a serene study, an ideal space for quiet work or reflection, though easily adaptable to suit individual needs.

Outside

Set within an established and gently tended plot of approaching half an acre, this enchanting country home offers a rare sense of seclusion and connection to the land. Surrounded by sweeping views of unspoilt countryside, the setting is ideal for those seeking a quieter pace of life. A paved patio adjoins the rear of the home, providing a lovely spot for morning coffee, outdoor dining, or simply soaking in the sights and sounds of the garden. The grounds are rich in rural charm, thoughtfully laid out with a variety of mature trees, flowering shrubs, and ornamental planting, complemented by a productive vegetable patch and a peaceful wildlife pond. Scattered throughout the garden are a number of characterful outbuildings, including a potting shed, green house, and a timber-framed summerhouse, perfect for quiet retreat, creative work, or afternoon reading. A substantial multi-room outbuilding, complete with power and plumbing, offers excellent versatility. It includes a workshop, sewing room, store area, and a cloakroom, ideal for hobbies, small-scale rural enterprise, or additional working space or conversion to a granny annex or 'Airbnb' potential.
