Offers Over £500,000

In the very heart of the town centre, sits this three storey modern townhouse with garage and no onward chain.

This attractive red-brick home is offered chain free, making it an appealing proposition for a wide range of discerning buyers, particularly those seeking a lock-and-leave lifestyle in a highly convenient central location. Behind its traditional exterior lies a surprisingly generous interior, extending to over 1,700 square feet and thoughtfully arranged across three floors. From the covered storm porch, the front door opens into a welcoming entrance hall that immediately sets the tone - bright, well-kept and practical. From here, there is access to a cloakroom, the integral garage and the standout feature of the ground floor: a superb open-plan kitchen and dining space. Recently remodelled, the kitchen has a clean, contemporary feel, with sleek fitted cabinetry, quality worktops and a full range of integrated appliances including eye-level double oven and ceramic hob with integral extractor. Under-cabinet lighting adds a subtle modern finish, while tiled flooring with underfloor heating runs throughout, creating a comfortable and cohesive living space. At the far end, bi-fold doors open directly onto a sheltered private courtyard - an easy, low-maintenance outdoor area ideal for morning coffee or summer evenings. A discreet utility cupboard ensures everyday practicality is neatly tucked away.

On the first floor a spacious sitting room enjoys excellent natural light through a sash-style window, with French doors opening onto a Juliet balcony. Bespoke floor-to-ceiling cabinetry provides both character and useful storage, giving the room a refined, tailored feel. Also on this level is a well-proportioned double bedroom with fitted wardrobes, served by a stylish Jack and Jill bathroom

On the top floor, two further well proportioned bedrooms continue the sense of space. The principal bedroom features sash-style windows and fitted wardrobes, while the second bedroom benefits from French doors opening to a further Juliet balcony overlooking the rear. Between them sits a well-appointed bathroom with bath and separate shower cubicle, also configured for Jack and Jill access. A landing cupboard houses the boiler and hot water

cylinder, with loft access provided via a folding ladder.

Blending modern finishes with a practical layout and an unbeatable central location, this townhouse offers a rare combination of convenience and comfort - ideal for those wanting to be at the centre of town life without compromising on space.

Outside

The property benefits from an integral garage — a rare advantage in such a central location — and a low-maintenance rear courtyard space perfect for bistro table and chairs.
