Outside, to the front of the property is a lawned garden, and unrestricted on-street parking is available. To the rear, is a fully enclosed lawned garden with a border for planting. A concrete slab that extends across the rear of the property is the ideal base for positioning outside furniture on. A pedestrian gate takes you to the shared driveway, across which is a detached single garage and off-road parking for one vehicle. Behind the garage is a further area of lawn, with views of the farmland beyond.
