WHAT'S GREAT?

Oscar James is delighted to present this beautiful detached three-bedroom dormer bungalow, nestled in the picturesque village of Clipston, just a ten-minute drive from the historic market town of Market Harborough.

Clipston offers a strong sense of community with amenities including a charming village pub, primary school, village hall and church. The property also falls within the highly regarded catchment area for Guilsborough School, making it ideal for families seeking both lifestyle and convenience.

Step inside through the spacious porch and you're welcomed by engineered oak flooring flowing throughout the ground floor, setting a tone of warmth and quality. There are two generously sized bedrooms, one with its own ensuite — ideal for guests or multi-generational living. The light and airy lounge provides a relaxing retreat and opens into a delightful conservatory with central heating, perfect for enjoying garden views all year round.

The spacious kitchen, complemented by a separate utility room, offers practicality and versatility, with access to the single integral garage. A ground floor WC completes this level.

Occupying the entire first floor, the impressive master suite is a true sanctuary. Flooded with natural light from multiple windows and skylights, it boasts a walk-in dressing area, built-in storage and a stylish ensuite shower room. Wake each morning to tranquil views across rolling countryside. Additional eaves storage enhances practicality.

Outside, the property continues to impress. To the front is ample off-road parking for four vehicles, plus additional space to the side with a car port. The rear garden is wonderfully spacious, featuring paved and lawned areas, offering an exceptionally private and peaceful outdoor escape.

Further benefits include no onwards chain. For further information or to arrange a viewing, please contact Oscar James Market Harborough.
