SITUATION

Topsham is full of excellent facilities including a range of independent shops, quality restaurants, pubs, primary school, outdoor swimming pool, tennis courts, bowling green and a sailing club. It is set on the River Exe and the town was historically world renowned for ship building in the medieval era. Communications are excellent with the city centre of Exeter nearby and a railway station in Topsham.

Exeter boasts shopping, entertainment, restaurants, Exeter Chiefs Rugby Club and a well regarded university. It is just over 2 hours by train to London and also has daily flights from Exeter to London City airport.

DESCRIPTION

Higher Shapter Close is a quiet no-through road situated at the top of Higher Shapter Street, one of the town's most attractive streets leading off The Strand. Positioned in a corner plot, this four-bedroom detached home offers spacious and well-planned accommodation, together with a driveway and detached garage.

Originally constructed as a bungalow, the property has been thoughtfully rebuilt into a chalet bungalow and adapted to provide flexible living. The ground floor offers two bedrooms and a family bathroom, alongside a generous sitting room and a kitchen/dining room. On the first floor are two further bedrooms, both benefiting from en suite facilities.

ACCOMMODATION

The front door opens into a spacious reception hallway with a staircase rising to the first floor. To the right is a versatile bedroom currently used as a hobbies room. Proceeding along the hallway is a family bathroom fitted with a panelled bath, separate shower unit with rainfall shower head, WC and wash hand basin. Beyond this is a further room, currently utilised as an office, but could equally serve as a bedroom, with patio doors opening onto the garden. At the end of the hallway, a door leads into a generous sitting room featuring sliding patio doors with flanking windows overlooking the garden, together with a raised feature wood-burning stove. Glazed wooden French doors open through to the kitchen/dining room.

Located at the front of the property, the kitchen is of good proportions and is fitted with a comprehensive range of base, wall and drawer units with granite work surfaces over, incorporating a Belfast sink and a Range-style cooker. A door from the kitchen leads into the utility room, which provides a sink and drainer, access to the garden and a further door to a ground floor WC.

On the first floor, the principal bedroom is situated to the left at the top of the stairs and benefits from an en suite bathroom fitted with a shower cubicle, panelled bath, WC and wash hand basin. On the opposite side of the landing is a second double bedroom, also enjoying en suite facilities with a shower cubicle.

OUTSIDE

At the front of the house is a paved driveway providing parking for a number of cars which leads to a detached garage with roller door. A gate gives access to a secure area at the side of the house and a log store at the rear of the garage. The main garden is accessed on either side of the house and is laid mainly to lawn with a garden shed and flower borders. Adjacent to the house is a large patio, ideal for outside dining.
