An exciting opportunity to purchase a fantastic property and paddock with no onward chain! Twixt is a spectacular property set in a rural position enjoying far-reaching 360 degree countryside and coastal views. This detached four bedroom house presents an excellent opportunity for a potential buyer looking for a private and spacious property which oozes potential throughout. It requires some modernisation, but allows you to bespoke and tailor the home to suit each individuals needs and requirements. Extending to approximately 2300 square foot of accommodation internally, the house is approached via an in and out gated system and an impressive look on arrival and does not disappoint. One of the biggest highlights of this home is the triple garage which includes a converted upper floor, offering a highly versatile space which could be ideal for an office, studio, workshop or potential annex (subject to planning) which would be great for multi-generational living. Standing on a well proportioned plot, there is also the added bonus of a separate grazing paddock which extends to around 1.7 acres and was historically a caravan site and continues to offers plenty of possibilities on its uses. Properties like this rarely come to the market and we are recommending a full internal viewings to appreciate what this has to offer.

The property briefly comprises:- entrance porch, entrance hall, shower room, lounge/dining area, utility room, bathroom, first floor landing with four bedrooms and family bathroom. To the rear is a large garden and access to a triple garage with converted room upstairs and shower room. There is also the added benefit of a paddock.
