DESCRIPTION

Comprising one of a pair of similar former Sudbury Estate workers cottages and Listed Grade II of being of historical or architectural interest this semi detached property dates from the mid 19th Century and retains many of its original period features.

Understood to have been built to the design of the well known Victorian architect George Devey (or by the Estate Clerk of Works in imitation of his works) who was responsible for numerous buildings in and around Sudbury the property reflects a typical vernacular style and now offers tremendous scope and potential for sympathetic upgrading to suit a new owners taste.

Providing entrance hall, two reception rooms, kitchen and larder/utility room at ground floor level. Upstairs there are three bedrooms and bathroom. Outside mature garden grounds front and rear, enclosed rear courtyard, wash house and stores and garden wc. Off road parking.

Convenient for the A50 Uttoxeter, Derby Stoke and Nottingham as well as the A515 to Ashbourne the character and charm of the property can only be appreciated by personal inspection.

OUTSIDE

The cottage is approached from Aston Lane through a pedestrian gated access (shared with number 84) and enjoys a spacious, primarily lawned front garden, set with numerous trees, shrubs and evergreens. A further pedestrian gate leads to the side of the property, where there is car or caravan standing space, approached from Aston Lane via a vehicular right of way. This in turn leads to the good-sized rear garden, again with lawn, flowering shrubs, trees and roses.

An enclosed rear courtyard area, which can be accessed from the back door of the property in the rear hall, gives access to an excellent adjoining brick and tile former wash house with doors to either side, measuring 3.34m x 3.06m (10'11" x 10'), it is considered that this property could be readily incorporated to the main house to provide additional living accommodation, home office/study etc. There is an outside wc and lean-to fuel store.

SERVICES

It is understood that mains electricity is connected to the property. Mains water provided by Severn Trent supplied by private pipework across the Sudbury Estate for which there is a bi-annual charge.

The property is currently connected to a shared tank drainage system. It will be a condition of the sale for the purchaser of the property to install an independent and dedicated drainage system within 6 months of completion of the purchase.
