An established detached bungalow located in one of the immediate areas most sought after cul-de-sacs offering a secluded setting with very little in the way of passing traffic. The bungalow itself is beautifully appointed and offers a good range of accommodation that has been extended to the rear, enhancing the kitchen and also providing a dining space, or the ability to make an informal reception area supplementing the kitchen itself. The lounge is particularly spacious whilst there are also two other bedrooms.

A particular feature of the bungalow is the shower room which has a totally separate WC.

Externally, the property is located on a semi-wedge-shaped plot and, as such, the gardens are wider at the back than at the front but do offer a good degree of seclusion.

DRIFFIELD

Driffield remains a market town, notwithstanding the closure of the livestock market in 2001. The central shopping area includes a weekly stalled market, with shops providing a wide range of goods and services for everyday needs supplemented by retailers such as B&M, Iceland, Boyes, Peacocks, Yorkshire Trading, Tesco and Lidl. Many local shops provide a personal service, in addition to a wide range of goods.

Other amenities include a modern Sports Centre with swimming pool, cricket, tennis, bowls, football and rugby teams, dancing, gyms etc. together with many clubs and associations. Road and rail links to the neighbouring coastal market towns, including Beverley, Hull and beyond.
