£259,950

IH INGLEBY HOMES

Nestled within a quiet cul-de-sac in the small village of Thornton, this versatile and deceptively spacious property delivers flexible living space that can be optimised to suit a variety of buyers.

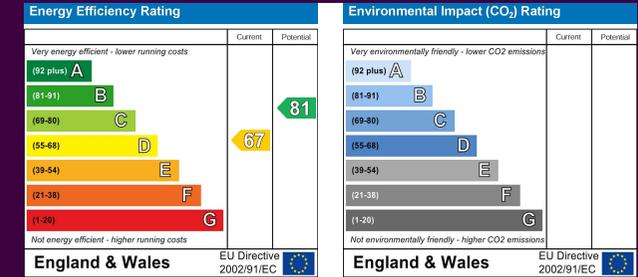

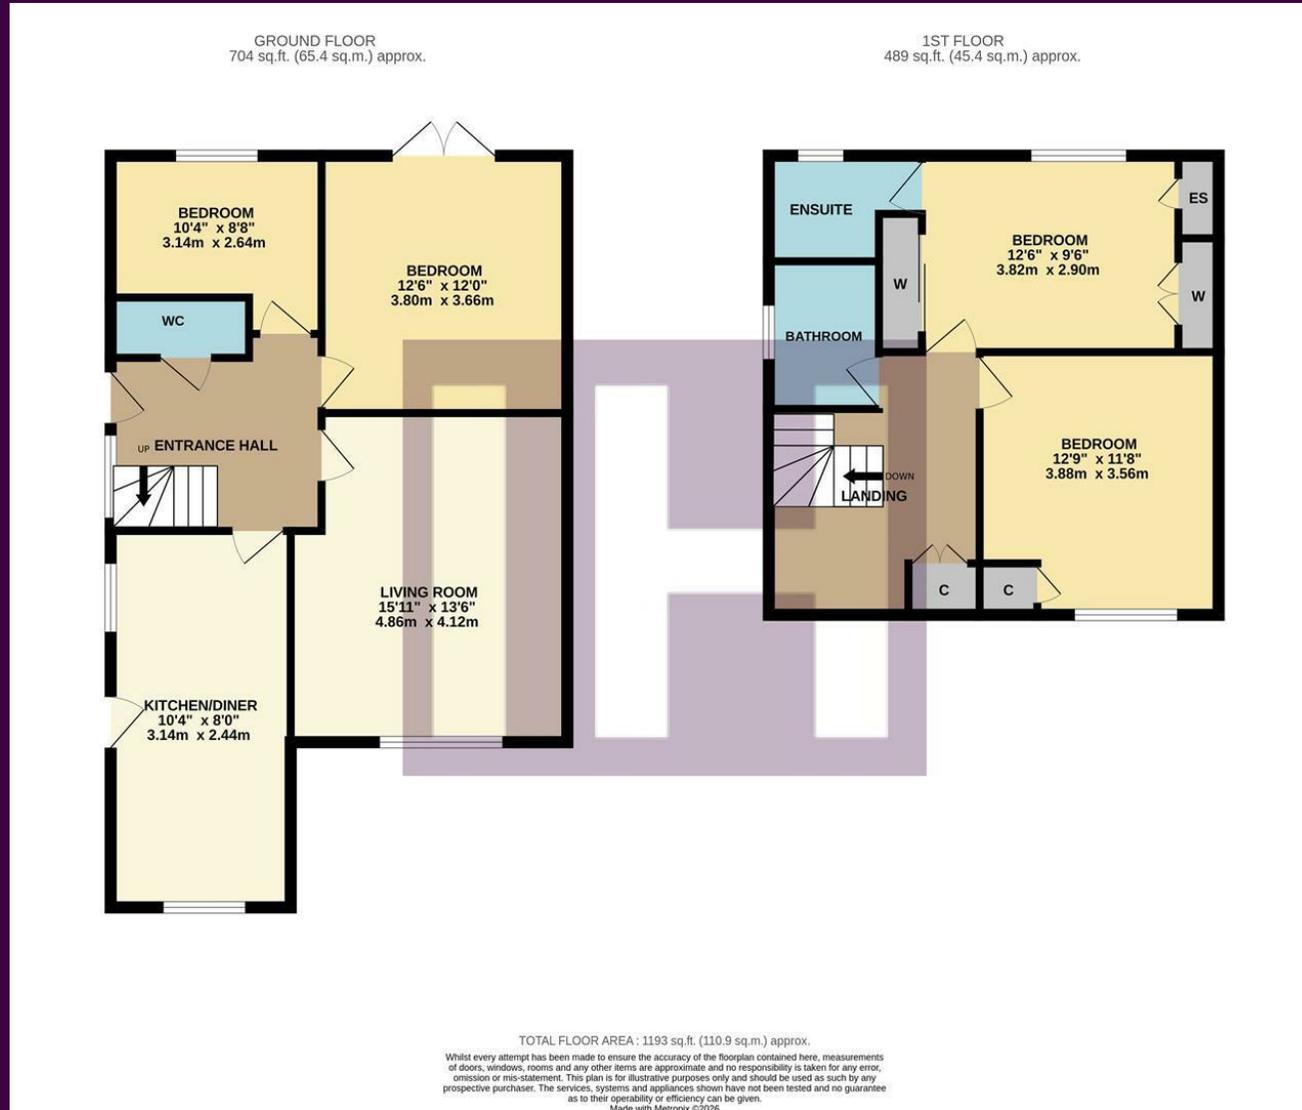

The surprisingly generous ground floor foot-print brings accommodation which comprises a welcoming side entrance hall, cloakroom/WC, lounge with feature wood-burner, separate open-plan kitchen/diner, and two ground floor bedrooms, both, or either can be used as an additional sitting room/study/or play room if a new owner chose to do so.

The first floor provides two further large double bedrooms, the rear with fitted robes and ensuite, and a separate, modern family bathroom.

Externally, a lengthy drive allows off-road parking for at least three vehicles, and approaches the re-roofed, detached garage, passing the established and attractive front gardens. Complimented by the generous rear garden, with patio, well-tended lawn, and an abundance of planting and greenery. Available with no forward chain, and within this very desirable location, early viewing is advised.
