Lorne Gardens, Notting Hill

£3,500 Per Month

A well-proportioned two bedroom apartment offering considerable scope for improvement, situated on the fourth floor of this handsome and well-maintained portered building, served by a lift.

Offered in need of modernisation throughout, the property presents an excellent opportunity for a purchaser to refurbish and configure the accommodation to their own specification — whether as a long-term home, a pied-à-terre, or an addition to an investment portfolio. Properties of this nature rarely become available in the Royal Borough of Kensington and Chelsea, and the potential to add value here is genuine.

The building itself benefits from a daytime porter and passenger lift, with the fourth floor position affording a good degree of light and privacy above street level.
