What i love about this property and what truly stands out is the sheer amount of space this home offers and how flexible it is. With six bedrooms and multiple reception rooms, it effortlessly adapts to family life, entertaining, or even hosting guests. The house feels bright, fresh, and welcoming thanks to the recent redecoration and new carpets, and the quality of finish throughout gives it a real sense of comfort and care.

I also love the rear garden, it's a lovely, private space that's perfect for relaxing or spending time with friends and family. The location on Romilly Park Road is another huge plus, offering a peaceful setting while still being close to everything Barry has to offer.
