£950 PCM

Available from the 11th March 26 -

Lets Live are pleased to present this great sized one bedroom apartment within The Brollyworks. Once an umbrella factory, this building has been lovingly converted into a small development of quirky apartments just minutes away from the Bullring and Grand Central, each with their own character and style. Many of the original features have been retained including the large feature windows.

The apartment consists of an entrance hallway with storage, open plan living area, fitted kitchen with integrated appliances including a washer dryer & fridge freezer. A good size double bedroom and family bathroom can be found off the hallway.
