Hall Street, Huddersfield, Yorkshire

**Offers in the region of
£190,000**

Set within the highly regarded village of Longwood is this well-appointed, stone-built detached family home. The property offers well-proportioned accommodation comprising an entrance hall, lounge and open-plan dining kitchen, with three bedrooms and a house bathroom to the first floor.

As one would expect, the property benefits from a gas-fired central heating system and is predominantly uPVC double glazed.

Externally, there is a large attached utility room to the rear, complete with stone-flagged flooring and a Perspex roof. The property also enjoys lawned gardens to both the rear and side.

Longwood is a popular location, often targeted by growing families and professional couples, and offers convenient access to a range of local amenities and well-regarded schooling. The property is also ideally positioned for access to the M62 motorway network, providing excellent commuter links towards both Leeds and Manchester.

Entrance Hall

A uPVC door with decorative double-glazed inserts opens to the entrance hall, which has vinyl style flooring, hanging hooks for coat storage and a central ceiling light point. A staircase leads up to the first floor landing and a timber door leads into the living room.

Living Room

This reception room is positioned at the front of the property and has a large uPVC double-glazed window to the front elevation with views towards Golcar. There is a central ceiling light point and a radiator. The focal point of the room is a fireplace with a marble hearth and a timber surround. An archway leads through to the dining kitchen.

Dining Kitchen

This open-plan room runs across the rear of the property. The kitchen area comprises a range of wall and base cupboards, drawers, roll-edge worktops, brick style tiled splashbacks and an inset stainless steel sink unit with taps. Integrated appliances include a Beko oven, a hob, an overlying canopy style filter hood and a fridge freezer. There is space and plumbing for a dishwasher. The work surface extends to form a breakfast bar area. There is ceiling downlighting and laminate style flooring running throughout, which continues to the dining area. The dining area has a uPVC double-glazed window to the rear elevation, a radiator and ceiling downlighting. From the kitchen area, there is a uPVC door with a double-glazed insert leading out to a lean-to. A timber door leads down to a useful cellar.

Cellar

This useful storage area houses the electric fuse box and has natural light via a window.
