£315,000

Situated on a popular non-estate road in the heart of Royal Wootton Bassett, this three bedroom semi-detached home offers excellent potential for modernisation and improvement, and is offered to the market with no onward chain.

The property provides well proportioned accommodation throughout and represents an ideal opportunity for buyers looking to update and personalise a home to their own taste.

To the ground floor, the entrance hallway leads to a spacious lounge/diner, extending over 23ft in length, providing ample space for both seating and dining areas. Doors from the living room lead to an additional pitched lean-to garden room/seating area with heating. The kitchen is positioned to the rear of the property which in turn leads out to the rear garden. A ground floor cloakroom adds further convenience.

To the first floor, the property offers three bedrooms,

including two generous doubles and a well-proportioned single bedroom, making it ideal for families, home working, or guest accommodation. A family bathroom completes the first floor layout.

Externally, the property benefits from an enclosed rear garden, offering scope for landscaping and improvement, along with driveway parking leading to the garage which houses the modern boiler (2024).

While the property is in need of updating, it presents a fantastic opportunity to create a comfortable family home in a highly sought-after central location, within easy reach of local amenities, schools, and transport links.

Offered with no onward chain, early viewing is highly recommended to appreciate the potential and location on offer.
