INCREDIBLE STYLE, SPACE & POSITION

Carefully restored under renowned architect Ian Adam-Smith, the property has been sympathetically modernised while preserving its original character. Improvements include new oak, carpeted and limestone floors, bespoke slimline double-glazed steel and timber windows, complete rewiring and replumbing, smart-controlled heating, hot water, security and CCTV systems, Cat 5 cabling, Wi-Fi mesh networking, integrated smoke and heat detection and bespoke cabinetry by a leading Hampshire craftsman. The reception and dining hall lead to an elegant drawing room with doors opening onto the gardens. A sitting room connects to the extended kitchen/breakfast room with hand-painted cabinetry, AGA, walk-in pantry, utility room and boot room. Upstairs, the principal suite includes a dressing room and luxurious en suite bathroom, complemented by two further en suite bedrooms, two additional double bedrooms, a family shower room, and a secondary oak staircase to the kitchen wing.

A TRULY UNIQUE RURAL RETREAT

A superb oak-framed barn, built by Rookery Barns in 2021, offers flexible ancillary accommodation. Featuring vaulted ceilings, open-plan living space, a bedroom or gym, shower room, mezzanine storage, and private courtyard, it benefits from independent smart-controlled heating and is linked to the main house's services and security systems. The gardens and grounds, redesigned by award-winning Chelsea Flower Show designers Rich Landscapes, create an elegant and low-maintenance setting. A picturesque lake with water lilies forms a tranquil focal point, complete with a fully serviced lake shelter. To the rear, estate gates open onto an orchard planted with apple, pear, and plum trees. The front gardens are mainly laid to lawn and screened by mature trees and hedging, providing privacy and year-round colour with displays of seasonal flower. Accessed via electric gates, the driveway provides ample parking and leads to a double garage, with a carport on one side and a garden store on the other. The carport is equipped with an electric vehicle charging point.
