- Wealth Of Built-In Storage, Lift Service & On-Suite Building Manager
- No Onward Chain
- Wonderful Communal Gardens & Off Road Parking

## Property Description

Retaining the elegance of its linear Art Deco styling, Wick Hall dates back to the 1930s and sits encompassed by a sea of colour from beautifully maintained communal gardens only moments from St. Ann's Well Gardens. Once compared to an ocean liner, its distinguished architecture continues to offer a superb first impression. This apartment benefits from no onward chain, double glazing and is in need of some modernisation & redecoration depending upon your tastes meaning it has bags of potential to restyle and really make your own.

With a South facing balcony offering views that stretch across glorious communal gardens, City rooftops and down to the sea, this wonderfully light & extremely spacious three double bedroom apartment sits within a prized Art Deco complex. Positioned on the particularly peaceful top floor with a commendably large and fluid layout of over 1170 square feet, this central Hove home equally caters for those downsizing for the convenience of single floor living, growing families and those who work from home.

The grand hallway hints at the generous dimensions within and entices you into the stunning dual aspect lounge and dining room that stretches out over an enviable 32ft with double glazed doors to the balcony. The outstanding proportions produce ample space to relax, socialise and entertain with views of the South Downs to the north and sea views to the South.

A serving hatch from the separate kitchen is a charming nod to the past and many other apartments in Wick Hall have removed that wall to open up the kitchen entirely into the living space which is a great option to have! Leafy outlooks lend a tranquil backdrop, countertops create plenty of workspace and the arrangement also accommodates freestanding appliances.

Versatile to your needs with the flexibility to provide work from home space if needed, three equally impressive double bedrooms generate ideal family accommodation. Highly convenient for any busy household, the bathroom benefits from a separate adjacent cloakroom.

Residents of Wick Hall have the added advantage of a resident caretaker, fully secure phone entry system and communal heating, the cost of which is included in the service charge. The capacious communal gardens are utterly glorious and impeccably maintained by a gardener ensuring the gardens compliment the building perfectly and explaining why Wick Hall is such a well known and greatly admired place to live!
