The current tenant says:

This property is a spacious family home, quietly tucked away on the well-connected Lowfield Road in W3. The house offers approximately 1,900 sq ft of well-oriented and beautifully designed living space, complete with a sound system throughout.

This house provides the perfect balance of seclusion and practicality, as it is just 13 minutes from West Acton Station (Central Line) and 9 minutes from Acton Main Line Station (Elizabeth Line). And only a few turns away from the A40, allowing easy access to both Central and Outer London.

The property not only has its own large private garden but is also just a 2-minute walk from North Acton Playing Fields, where you can enjoy long walks or outdoor sports. The property is also just down the road from West Acton Primary School, making the school run that little bit easier.
