We are pleased to offer for sale this beautifully presented and newly updated four bedroomed detached house.

Step through the front door of this crisply decorated home, and imagine living somewhere where all you have to do is figure out where you will put your own furniture!

Nestled on a generous corner plot, this residence welcomes you with a hallway to leave coats and shoes. Turn left into the well proportioned living room with large window to the front to let light stream in through this space. There are sliding barn style doors to separate or open up the living room and dining kitchen should you need to entertain or just want to cosy up and switch off.

The dining kitchen stretches across the back of the house. Thoughtfully arranged and appointed with modern and newly fitted, stylish grey cabinetry, this space invites culinary adventure and every-day ease, offering ample elbow room for everything from morning coffee rituals to lively weekend baking sessions. Built in appliances include hob, cooker and dishwasher.

The dining area draws you in with space to seat six, whilst overlooking the garden through the French patio doors. From here you can also peer into the lounge through the sliding doors. This is perfect for having a 'grown up' meal with friends, whilst the children amuse themselves.

Four well proportioned bedrooms make up the first floor accommodation. The large master occupies the space above the garage creating a generous bedroom and with a newly fitted shower room with sleek grey tiles this has a real grown up feel.

Bedrooms two and three are both doubles whilst bedroom four is a generous single (currently used as a dressing room) however could be a nursery, office or child's bedroom.

The main bathroom, with its sleek fixtures and calming palette, promises a refreshing start to the day and a relaxing wind-down in the evening.

Storage solutions are cleverly woven throughout, ensuring clutter is kept at bay, and the attached garage provides further practical space for hobbies or secure parking. Do we need to mention the Electric roller shutter garage door?

Outside to the front is a low maintenance, lawned garden and driveway with space for at least two cars.

To the rear of the property is the East facing garden which is zoned to provide a paved area for bbq's and entertaining, lawned area for children to play and a grown up decked area at the rear of the garden creating a private, relaxed area to chat, drink wine and enjoy the summer sun.
