Immaculately presented and significantly improved over the existing owner's tenure, this three-bedroom detached bungalow is set within the heart of the popular village of Stonesfield. Unfolding over 1357 Sq.Ft, the property offers a series of stylish, bright and versatile living spaces which are synonymous with modern day living.

A generous entrance hallway immediately creates a sense of space and light and sets the tone for the remainder of the tour. At the front of the plan is the main reception room. Voluminous and inviting, large windows and sliding doors to three aspects create a seamless interaction between the internal and external spaces. A wood burner forms a cosy focal point, whilst the generous proportions offer ample space for comfortable living. The light, neutral palette continues into the well equipped kitchen where a side door offers direct access to the garden. A utility room can be found across the hallway for added convenience.

An impressive dual-aspect principal bedroom occupies the right of the plan and is complete with en-suite washroom and built in wardrobes. Two further double bedrooms are serviced by the modern family bathroom with built in storage cupboard.

The property's beautiful wrap around garden is a standout feature. A peaceful oasis, the current owners have masterfully created a series of zones which are ideal for relaxation or entertaining throughout the seasons. Carefully considered shrubs create privacy and vibrant florals add colour and interest. There is also a garage with two stores and drive way parking for multiple cars.
