Guide £450,000

An exceptional semi-detached bungalow that has been extended and tastefully finished to create a very comfortable and spacious home.

### Description

Attention to detail has been shown throughout and the accommodation flows well, to include a good sized sitting room with distinctive roof lanterns and a woodburning stove, a separate dining room and a tastefully fitted kitchen. Whilst the kitchen and dining room provide a sociable open plan space, the dining room can also be separated by way of feature sliding doors to create a third bedroom if required. An inner hall leads through to two bedrooms, both of which have a range of fitted storage, and a smart bathroom which includes a shower. There is also a useful utility room and a second bathroom which includes a separate shower. This leads to the gym. The property has double glazing together with gas heating which provides a combination of radiators and underfloor heating, all zoned for efficiency. The facias, soffits and guttering all were upgraded, as were the electrics and roof. Outside there is a driveway for off road parking, a useful workshop and a contemporary cabin/studio. The gardens have been tastefully landscaped with paved seating areas, raised beds and thoughtful planning, with an emphasis on ease of maintenance.
