Hall Carleton Farmhouse & The Old Dairy Carleton, Holmrook

Hall Carleton Farmhouse & The Old Dairy Carleton, Holmrook

Welcome to Carleton, Holmrook

Experience the dream of country living in this beautiful farmhouse, constructed from St Bees red sandstone and cobble circa 300 years ago, sitting pretty within the breathtaking Lake District National Park. Offering an abundance of space both inside and out, this unique home features three reception rooms, a spacious family-sized country kitchen, an additional smaller kitchen to the opposite side of the property, six generously proportioned bedrooms, and four bathrooms.

Externally, the property enjoys a peaceful setting with extensive gardens, useful outdoor wash facilities, a generous orchard, ample off-road parking, and an impressive five-bay Dutch barn.

Previously configured as two separate properties, the farmhouse and The Old Dairy can easily be divided once again by simply closing the access door between them — creating an ideal opportunity for a successful holiday let or comfortable residential rental. Alternatively, enjoy the flexibility of the expansive layout and allow multi generational family life to flourish across the "two wings" of this substantial home.

Situated within a small rural hamlet of just four houses next to the coast, the property is conveniently located close to Ravenglass and its railway station, famously home to the "La'al Ratty" heritage railway, beach, pubs and Muncaster Castle. The nearby villages of Holmrook, Seascale, and Gosforth, along with the surrounding valleys of Wasdale and Eskdale, are all within easy reach.

THINGS YOU NEED TO KNOW

The property is Freehold and benefits from LPG gas, mains electric and mains water services. LPG gas central heating heats radiators and three 200L water tanks, meaning all showers or the jacuzzi bath can be used at the same time and ample hot water is provided. Backed up by an electric immersion for hot water, should the gas run out. The gas tank is on a tele charger, once the supply reaches 20% the tanker will attend and refill.

The property has a water meter, located at the front of the Farmhouse Main Entrance.

The property had a new septic tank installed in 2026 and is compliant under current regulations.

There are 2 electricity pylons located within the property grounds which a nominal £45 per year is paid to the owners.

The property retains a small parcel of land in the neighbouring field where the now redundant old septic tank is located along with access rights at anytime.

There is a right of way access by prior approval only for the neighbouring farmer to maintain his farm buildings.

DIRECTIONS

W3W///enhanced.obtain.somewhere

The property is best approached from the A595 from Holmrook towards Ravenglass and Turning Right towards Saltcoats. Continue along, before reaching the two cottages on the left hand side turn right then follow the narrow lane for around 1 mile, passing under a railway bridge. At the T Junction, Turn Right, and the property is located immediately on the Right Hand Side.

THE 2010 RENOVATION

Fully renovated to a high specification in 2010 inline with building regs to modern facilities retaining and exposing many original features. Blue slate floor throughout the kitchen, halls and downstairs shower room with exposed original pitch pine wooden floor boards in reception rooms and upstairs. Reclaimed original doors and craftman made new matching doors with Suffolk latches throughout and Sash uPVC double glazed Georgian style windows supplied by Keswick Superglaze. Window seats at the front. The 2010 renovations also included insulation to walls, ceilings and floors, electrics, plumbing, and double glazed windows supplied by Keswick Superglaze. The beautiful French woodburner may be of a certain age, but the flue was recently installed in 2018. In 2019, "The Old Dairy" was renovated and re-built into a 2 bedroom cottage and offered as a residential let.

POTENTIAL INCOME STREAM

Are you looking for a lifestyle running a business? Do you need to occupy the full property for personal use? Make use of the additional internal space on offer and let part of this beautiful building out as an Airbnb or residential let. The grounds also offer you options, whether you're looking to start a business or expand on your existing - the grounds of this property offer you a great space, perhaps campsite, small holding, hobby farming, equestrian, vehicle renovation or storage to name a few.

A PLOT YOU CAN DO ALOT WITH

The impressive grounds of the Farmhouse offer something that little bit different and is split nicely for a variety of uses;

The walled garden is a great space for growing vegetables, includes a greenhouse and area for a fire pit. Family sized garden to the side and rear of the Farmhouse, an ideal setting for those with children or enjoy outside entertaining alongside the handy use of the external washroom which includes W.C, Shower, sink and water heater with a Belfast sink. A smaller garden is offered adjacent to "The Old Dairy" - great for including some additional private outside space. The generous Orchard contains apple, pear, cherry, damson and willows. The 5 Bay Dutch barn has electricity and lights. There is an application for outline planning permission for three cottages on the site of the existing barn. Various external water points including dog kennel and chicken coupe.

LOCAL COMMUNITY - CA19

CA19, centered on Holmrook and the surrounding Eskdale and Wasdale valley communities, offers a highly scenic and peaceful rural lifestyle set within the western fringes of the Lake District. The area is known for its dramatic landscapes, including rivers, valleys and nearby fells, making it especially attractive to walkers, climbers and those seeking a quieter pace of life.
