Cook Residential is pleased to present this well-proportioned two-bedroom duplex apartment, offering accommodation arranged across two floors and benefiting from features rarely associated with apartment living, including its own private entrance, a private garden. The property offers a practical and versatile layout comprising a sitting/dining room, separate kitchen, conservatory and cloakroom on the ground floor, with two bedrooms and a shower room occupying the first floor. Offered with no onward chain, subject to vacant possession, the property also benefits from a particularly long lease with approximately 994 years remaining.

**Private Entrance:** Unlike many apartments, this flat enjoys its own independent entrance, providing a greater sense of privacy and leading directly into the ground-floor accommodation.

**Entrance Hall:** The entrance opens into a hallway providing access to the principal ground-floor rooms, the cloakroom and stairs rising to the first floor.

**Sitting/Dining Room:** A bright and versatile reception room providing ample space for both sitting and dining furniture. Wood-effect flooring continues throughout the room, while a rooflight introduces additional natural light. Doors open directly onto the private garden, creating an excellent connection between the indoor and outdoor living spaces.

**Conservatory:** Positioned overlooking the private garden, the conservatory provides a useful extension to the living accommodation. Extensive glazing and a glazed roof create a naturally bright space that could lend itself particularly well to use as a home office, reading room or additional seating area.

**Kitchen:** The separate kitchen is fitted with a range of wood-effect cabinetry complemented by contrasting work surfaces. There is an oven with hob and extractor above, a sink positioned beneath the windows and spaces for further appliances. Two windows provide plenty of natural light, while the cabinetry offers a good amount of storage and preparation space.

**Cloakroom:** Conveniently positioned on the ground floor, the cloakroom comprises a WC and wash hand basin set within a vanity unit, with a window providing natural light.

**Landing:** Stairs rise to the first-floor landing, which provides access to both bedrooms and the shower room.

**Bedroom One:** A well-proportioned principal double bedroom with windows to two aspects, allowing plenty of natural light into the room. There is ample space for a double bed alongside additional freestanding bedroom furniture.

**Bedroom Two:** A further well-proportioned bedroom featuring a large window providing excellent natural light. The room offers flexibility for use as a bedroom, guest room or home office depending on the purchaser's requirements.

**Shower Room:** The first-floor shower room comprises an enclosed shower, WC and wash hand basin, together with a heated towel rail.

**Private Garden:** A significant advantage of the property is its private garden, exclusively for the use of Flat 3. Predominantly paved for ease of maintenance, the garden provides plenty of space for outdoor seating and dining, while established planting and mature greenery create a pleasant and leafy setting. Direct access from the living accommodation further enhances the space and makes it ideal for relaxing or entertaining during the warmer months.

**Parking:** Parking is available on a first come first served basis.
