## SITUATION

Goring-on-Thames lies serenely in the beautiful Thames Valley, set between the Chiltern Hills in Oxfordshire and the Berkshire Downlands opposite above the village of Streatley. The area is known geographically as the 'Goring Gap' and is designated an 'Area of Outstanding Natural Beauty'. In 2009, Goring was awarded the prestigious 'Oxfordshire Village of the Year' and also the 'Britain in Bloom' competition several times including 2022. Local amenities include a super primary school, an excellent range of interesting shops and restaurants, together with a riverside café, a gastropub with rooms, a lovely traditional pub, a full NHS practice, veterinary practice, dentist and library. The village hosts numerous popular and well attended annual events.

Importantly, a mainline railway station provides fast commuter services to London Paddington in 45 minutes. The central village 'Conservation Area' has a wealth of architecturally interesting properties, many listed and dating from around the 16th Century. Historically, Goring-on-Thames traces back to Saxon times. Streatley-on-Thames, on the Berkshire side of the river, is another picturesque village surrounded by hills and woodlands, now mainly owned by the National Trust. Fronting onto the river by the bridge crossing over to Goring-on-Thames is The Swan at Streatley, a luxury 4-star riverside hotel with adjoining Coppa Club, riverside Lobster Bar and gym.

The area is also extremely well served by an excellent range of state and private schooling, which includes not only the ever popular Goring-on-Thames Primary School and Langtree Secondary School in Woodcote, but also Cranford School, Moulsoford Preparatory School, The Oratory Preparatory & The Oratory School, St Andrews Preparatory School, Pangbourne College, Brockhurst & Marlston House, Downe House, Rupert House School, Shiplake College, The Abbey School, Bradfield College, The Manor Preparatory School, Abingdon School, Abingdon Preparatory School, Radley College and St Helen & St Katharine.

Elizabeth Line services commenced from Reading which together with the completed electrification of the GWR line, has significantly improved travelling times to central London and the City, Heathrow and as far east as Essex.

## PROPERTY DESCRIPTION

Built in the Edwardian era, Little Barton is a beautifully presented property displaying stunning features such as high ceilings, wood flooring, deep skirting, panelled rooms and door architraves. Entrance is through a recessed porch into the reception hall with cloakroom and cupboard containing the boiler. Doors then lead into the family room with fireplace and main staircase off. The kitchen breakfast room sits in the heart of the house with grey painted units and travertine flooring running through into the utility room. There is also a gas fired woodburner. A part glazed door opens into the stunning vaulted Orangery which has panoramic garden views and direct access for a complete "al fresco" experience. The drawing room is a stunning space with large bay window incorporating a seating area and there is a feature fireplace. The main staircase is in the corner of the family room. Leading up to the landing, there is a large walk-in linen cupboard and airing cupboard.

The main bedroom is a generous size and has a bay window looking across the garden. Next to this is a luxurious bathroom suite with claw foot bath and separate shower cubicle. There are 2 further double bedrooms, both with built in wardrobes and large bay windows and one has a new ensuite shower room. The second staircase is found off the reception hall and leads up to the fourth double bedroom with a further new ensuite bathroom with bath and overhead shower.

## OUTSIDE

The property is approached behind mature hedging and trees with wooden gates taking you onto the gravelled driveway. The driveway leads to the detached double garage but then continues up to the main house offering parking for many cars. The garage has double doors and there is a staircase leading up to a spacious loft room above. There is planning approved for a side and rear extension to the existing garage to add additional accommodation. On the ground floor it is proposed that the workshop and gym will fill the two extension areas to what is still the existing garage and there will be windows and views of the garden. A cloakroom will be located on the first floor within the eaves of the new roof space. Plans can be viewed on SODC planning register Application No: P25/S0044/HH. A comfortable home office is located adjacent to the garage. The wonderful mature gardens have large flower beds fully planted, offering colour and interest, with a copse of mature trees at the bottom.

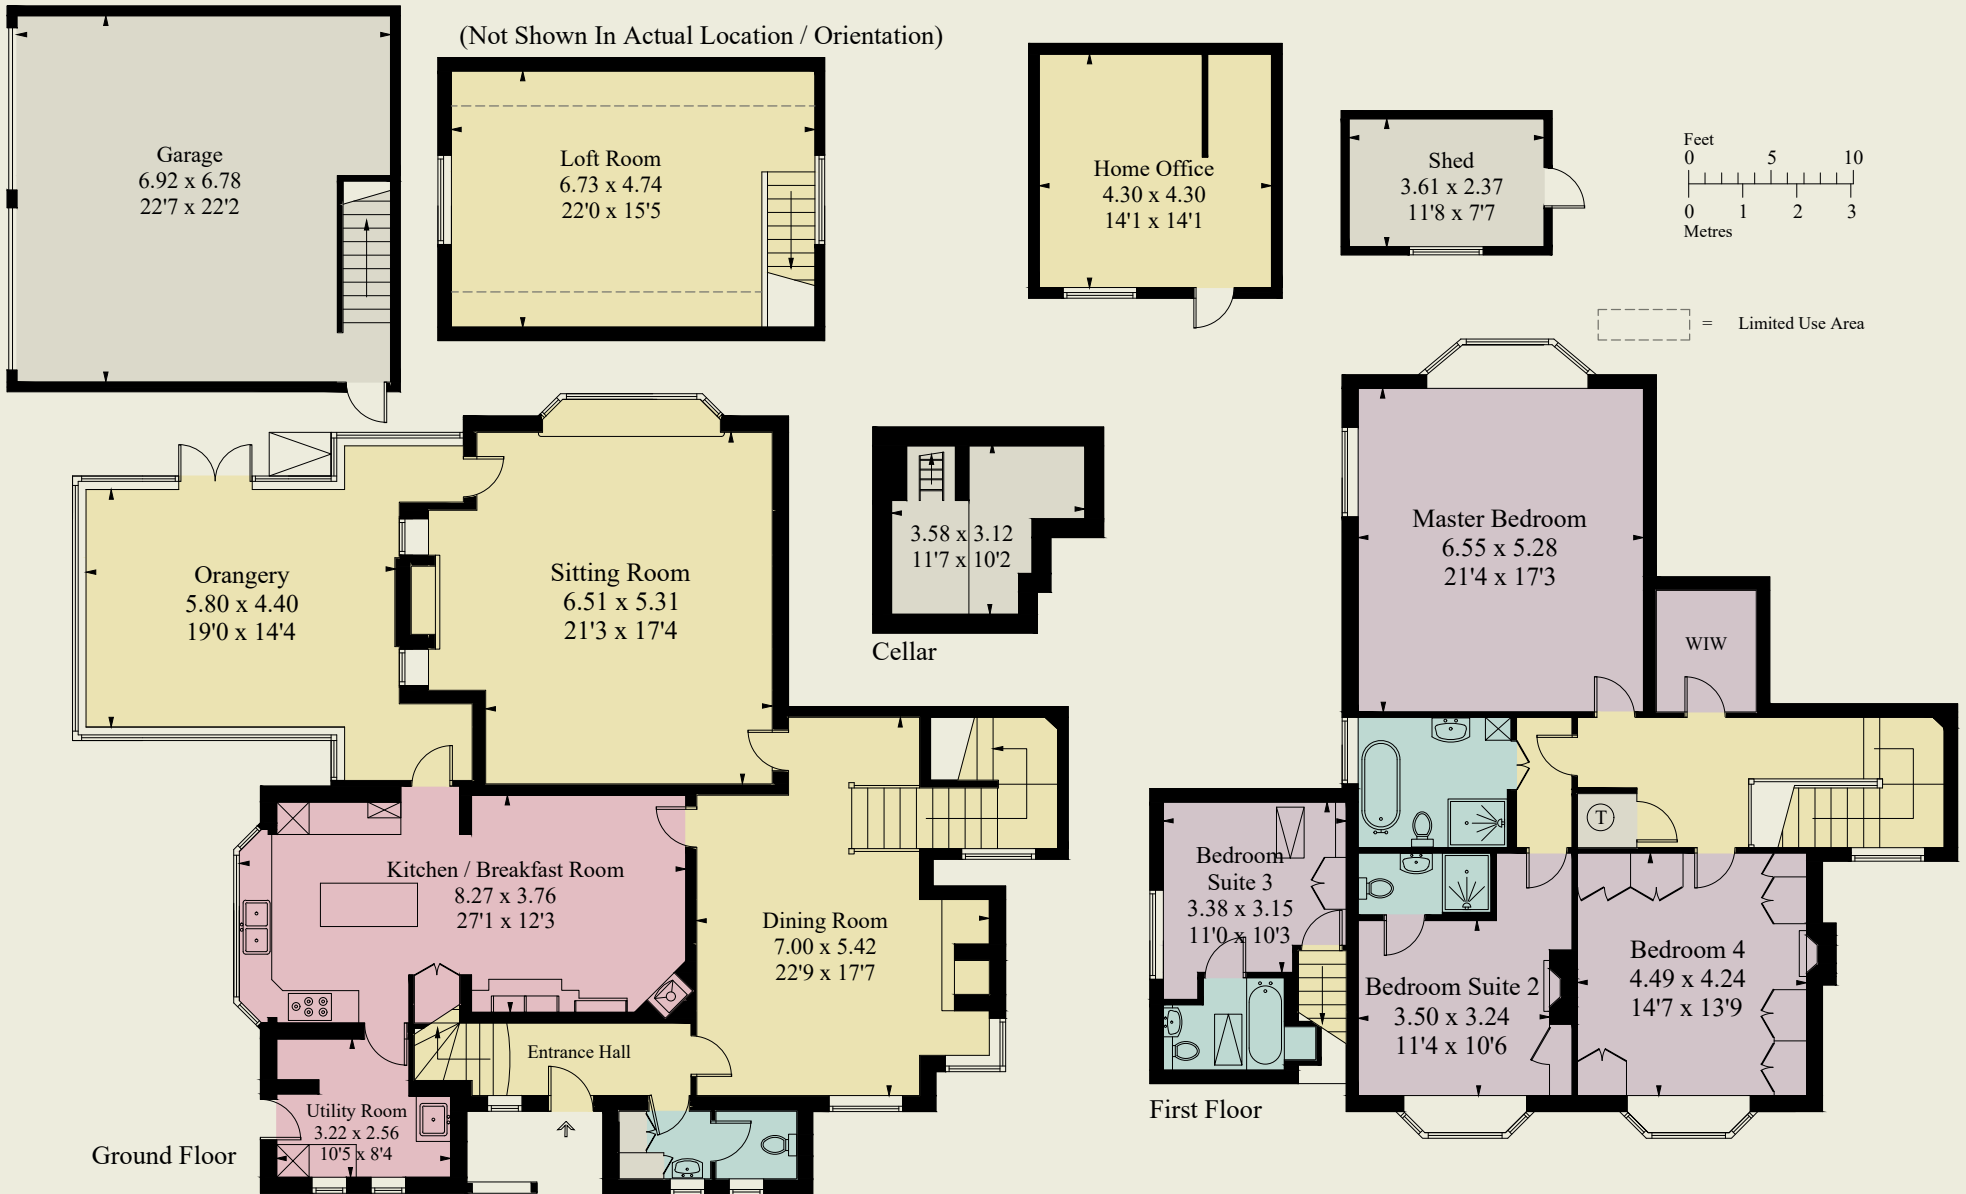

From the house, a large terrace wraps around the property offering plenty of seating opportunities with an additional gravelled seating area with a south west aspect ensuring the sun can be enjoyed throughout the day. A low door on the terrace gives access to a cellar which is full head height.
