Anti-Money Laundering (AML) Compliance

Estate agents operating in the UK are legally required to carry out Anti-Money Laundering (AML) checks in line with regulations set by HM Revenue and Customs (HMRC). At Hunters Dursley, we use Moverly to facilitate these checks as part of our commitment to compliance and transparency. It is mandatory for both buyers and sellers to complete AML verification before a property transaction can proceed. A fee will be charged for each individual AML check carried out.

Found on Gloucester Road in the village of Sharpness, near the historic castle town of Berkeley, Gloucestershire, this substantial period property was built in the late 1800s. Offering deceptively spacious accommodation spread over three floors, this home is perfect for families seeking both comfort and character.

As you enter, you are greeted by a generous entrance hallway that sets the tone for the rest of the property. The sitting room, which features a dining area, is a warm and inviting space, ideal for both relaxation and entertaining. This area seamlessly flows into a well-appointed fitted kitchen/breakfast room, complete with a utility space and a convenient downstairs cloakroom. A stable door from the utility room leads you to the rear garden, enhancing the connection between indoor and outdoor living.

The first floor boasts two generously sized double bedrooms, accompanied by a family bathroom that caters to the needs of the household. Ascending to the second floor, you will discover two additional double bedrooms, providing ample space for family members or guests.

Outside, the property features an enclosed rear garden, which includes a lawned area, perfect for children to play or for hosting summer gatherings. A covered canopy with a workshop adds to the practicality of the outdoor space, while gated rear access ensures convenience.

This property is a rare find, combining period charm with modern living, making it an ideal choice for those looking to settle in a community.

The property is within close proximity of the historic castle town of Berkeley offering a selection of shopping and schooling whilst the A38/M5 motorway network enables daily commuting to the larger centres of Bristol, Cheltenham and Gloucester.
