Kemp Town Enclosures is a private communal garden, owned collectively by the freeholders of the 105 houses that make up the Kemp Town Estate.

Developed in the 1820s by Thomas Kemp, the estate comprises Sussex Square, Lewes Crescent, Chichester Terrace, and Arundel Terrace. The gardens were landscaped in 1828 by local horticulturist Henry Phillips, around the same time the estate was constructed, with the tunnel to the esplanade added circa 1830.
