

WHITE HOUSE

Chester Road, Childer Thornton, Cheshire

Offers over £840,000

Behind electric gates and set in around half an acre on one of Childer Thornton's most established roads, White House is a substantial family home built for family life and for entertaining. A run of bright, glazed rooms opens straight onto the garden, from a living room centred on a two metre fireplace to an elegant orangery and a rare wine room, while four double bedrooms, a home gym and scope for an annexe give real flexibility for the way families live today.
