Accommodation

The welcoming entrance hallway provides access to a useful understairs storage cupboard, with a staircase rising to the first floor and doors leading to the sitting room and kitchen/dining/family room. Positioned at the front of the home, the sitting room enjoys a pleasant triple aspect, allowing plenty of natural light, while a wood-burning stove provides an attractive focal point. At the rear of the home, the large kitchen/dining/family room provides an excellent space for both everyday family life and entertaining. The kitchen is fitted with a range of cupboards and drawers together with a breakfast bar, double oven, gas hob with extractor canopy over, integral dishwasher and fridge/freezer. Doors open directly onto the rear garden, creating a natural connection between the house and outside space. From the kitchen, access leads to the utility room, which provides space for a washing machine and tumble dryer, with a further doorway leading to the ground floor WC.

The first floor landing provides access to all four bedrooms and the family bathroom. Bedroom one is a generous double room enjoying a pleasant double aspect and benefiting from fitted wardrobes. A door leads to the modern en-suite shower room, fitted with a WC, wash basin, enclosed shower cubicle and heated towel rail. Bedroom two is another well proportioned double room with a pleasant double aspect, a walk-in wardrobe and an en-suite shower room comprising a WC, wash basin, enclosed shower cubicle and heated towel rail. Bedrooms three and four are both good-sized rooms, with bedroom four also providing an ideal option for use as a study or home office. The family bathroom is fitted with a white suite comprising a WC, wash basin with storage beneath, bath with shower over and additional shower attachment, fitted shower screen and heated towel rail.

Outside

The gardens are a particular feature of the home, wrapping around the rear and side of the property and enjoying a pleasant south-westerly aspect. A terrace immediately adjoins the rear of the house and provides an excellent space for outdoor dining and entertaining, with the addition of a fitted bar. The remainder of the garden is predominantly laid to lawn, complemented by established hedging, trees and borders. A garden room provides a valuable and versatile addition to the outside space and would be equally well suited for use as a home office, hobby room or additional entertaining space. A pedestrian door provides access to the garage, while a gate leads around to the front of the property.

Parking

To the front, driveway parking leads to the garage, which is fitted with an up-and-over door and benefits from power and lighting.

Location

North Baddesley is a quiet village located to the south east of Romsey and a short distance to Chandlers Ford. It benefits from excellent transport routes to Southampton, fantastic local schooling and various local amenities.
