Lime Cottage, Ridge Hill, Sutton, Macclesfield, Cheshire, SK11 0LU

A most beautiful semi-detached barn conversion in an idyllic location with far reaching views over open countryside and the Cheshire Plain.

Guide Price £439,000

Constructed of stone, this substantial deceptively spacious barn conversion offers the discerning purchaser a magnificent home, enjoying an idyllic country location, with fabulous views, ready for immediate occupation. The accommodation briefly comprises on the ground floor: Entrance hall, w.c, 18ft lounge enjoying fabulous views, spacious living/dining kitchen with built-in appliances. To the first floor the landing, which again enjoys magnificent views over open countryside, allows access to three good sized bedrooms and two bathrooms (one en-suite). A gas fired central heating system is installed and the property benefits from mains water supply.

The property enjoys good sized terraced gardens to both the front and side with stone flagged terraced areas and slate chippings. Again the gardens take full advantage of the views.

Directions: From Arighi Bianchi in Macclesfield, proceed south along the A523 (Leek Road) and at the traffic lights turn left into Byrons Lane, signposted Sutton. Continue along Byrons Lane, passing under the canal aqueduct, and take the first turning left into Jarman Lane. Continue along Jarman Lane and, immediately after the Church House public house, turn right into Ridge Hill. Proceed up Ridge Hill for approximately ¼ of a mile, where Lime Cottage can be found on the right-hand side.

There is a wide range of shopping, travel, educational and recreational facilities available in Macclesfield. Access points to the national motorway network, Inter-City rail travel to London and Manchester International Airport are all within 30 minutes drive of the property.
