The smart entrance hall leads to the main reception rooms. The large and bright sitting room features a bay window and a focal fireplace. An archway connects the sitting room to the dining room, which in turn opens to the beautiful kitchen/breakfast room, which is the heart of the home. The kitchen units provide ample storage, with built-in appliances, granite worksurfaces, and double doors that open to a decked terrace and the garden beyond.

Accessible from the kitchen is a very useful study/playroom. Through the utility room, you'll find a light and airy garden room/snug with double doors opening to the garden. The ground floor accommodation includes a cloakroom, as well as access to the integral garage from the utility room.

Upstairs, the main bedroom benefits from an ensuite shower room and built-in wardrobes. The second bedroom includes an ensuite shower room. Three additional bedrooms and a family bathroom complete the first floor, making this an ideal property for a growing family.

Outside, the garden is primarily laid to lawn, with a large decked terrace and pergola at the rear – perfect for summer entertaining. The garden offers a high degree of privacy, being surrounded by mature hedging and some trees that provide colour and screening. To the front, the single garage has light and power, and a spacious block-paved driveway provides ample parking.

Alresford is a beautiful Georgian town known for its variety of independent shops, restaurants and inns located in stunning surroundings on the edge of the South Downs National Park. Attractions include the Watercress steam railway, schools for infant, junior and secondary education, several churches and an active and inclusive community. The cathedral city of Winchester is about 7 miles away and there is easy access to the south coast, the midlands and London via the road network. There is also mainline rail access to London from both Winchester and Alton. Southampton airport is only about half an hour away by car.
