The Rhyddings Kennels is a well-respected luxury kennel business known for its outstanding reputation. Founded more than 60 years ago, the current proprietors have managed the business for the past 20 years. At present, the business operates below its full potential due to a personal decision made by the current owner, yet it presents a distinctive opportunity for an astute buyer to leverage its established brand and market position. The Studio and Log Cabin have been used as a shop/cattery and grooming salon previously which were highly successful business in their own right and would be suitable for a number of other uses with planning permission for Class E use - Services, Offices or Shops as well as the potential to be developed further with additional planning permission.

Twelve luxurious kennels plus three suitable for daycare/holding kennels which are individually air-conditioned and fully tiled with CCTV. Separate kitchen area which services the kennels. The Rhyddings has been a family run kennels for over 60 years and was completely rebuilt in July 2006 to create 12 kennels of the highest standard. All of the kennels are heated as well as having air-conditioning.

Facilities below are as follows:

12 Luxury Dog kennels/licenced for 24 dogs.
 Individual covered Air-Conditioned indoor and outdoor areas, which are fully tiled with epoxy grout.
 Large outside play area.
 Extensive grassed area for playtime and toilet sessions.
 Set in beautiful countryside.
 Rated 5 Star by Bradford Council.

Studio 31'0" x 18'3" (9.45m x 5.56m)

Having huge scope to create an annex for a dependent relative or to be used as a home office with internet access, two air-conditioning units and tiled floor having underfloor heating. Numerous windows to all elevations, two velux's and door to the front and rear. Planning permission for Class E use and has been used as shop and cattery previously.

Log Cabin

Another outbuilding split into three separate rooms, again with internet access, light, power and windows to both elevations. Planning permission for Class E use and has been used as a Grooming Salon and shop previously. Would also make an ideal office for those working from home.

Grounds & Gardens

The property stands in beautifully kept grounds totalling over 1.8 acres with a stunning countryside views over open fields. There is an expansive driveway with turn circle providing ample off road parking for numerous vehicles and provides easy access to the garage, studio and log cabin. The formal and private south facing garden has been very thoughtfully created to enjoy the stunning outlook and is made up of lots of different seating areas, a perfect place to enjoy a summers evening with an ornamental pond and well stocked flower borders providing an abundance of colour. At the head of the property in front of the kennels there is a large enclosed lawned area with outbuilding. Finally there is a more wild garden to the front having mature plants and trees with a small beck running through and a historic right of access for the benefit of the farmer to the neighbouring field.
