Council Tax Band: D

Occupying a distinctive position just moments from Tiverton's beautiful Grand Western Canal Basin, this substantial detached chalet bungalow offers spacious and flexible accommodation, generous parking and a setting that combines privacy with exceptional convenience, and offered with no onward chain.

Set back behind a traditional stone wall and approached through double entrance gates, the property enjoys a surprising degree of seclusion whilst remaining within comfortable walking distance of Tiverton town centre and close to a regular bus route.

Internally, the home has been carefully maintained and is presented in particularly tidy order throughout. The sitting room provides a warm and welcoming focal point to the house, now enhanced by an attractive inset log burning stove creating a comfortable space to relax throughout the seasons.

The kitchen has also been updated and offers a practical fitted arrangement with a range of storage units, eye-level microwave, separate oven and grill, induction hob and matching extractor hood, flowing naturally into the breakfast area and onward into the conservatory overlooking the garden.

The accommodation is arranged with flexibility in mind and includes multiple reception spaces together with four well-proportioned bedrooms across two floors. From the first floor landing and rear aspects there are pleasant elevated views stretching across towards Knightshayes Country Park.

Outside, one of the property's standout features is the exceptional parking provision. Behind the enclosed frontage is an extensive gravelled parking and turning area alongside the detached garage, offering excellent capacity for multiple vehicles.

The location is particularly special – the Grand Western Canal Basin is only a short stroll away, offering tea rooms, the famous horse-drawn barge, floating café, level waterside walks and scenic cycle routes, making this an excellent choice for buyers seeking both convenience and lifestyle.
