The accommodation is both spacious and versatile, retaining an abundance of original character whilst offering practical family living. The welcoming entrance hall leads through to a generous lounge featuring a charming fireplace, creating a warm and inviting focal point. A second reception room, currently used as a snug but equally suited as a dining room or study, provides excellent flexibility.

Outside is where Pickwick Cottage truly comes into its own. Set within approximately 0.75 acres (subject to survey), the grounds have been beautifully maintained and include sweeping lawns, mature trees, established planting and a stunning fishing lake, creating a peaceful haven for both wildlife and outdoor entertaining. The uninterrupted countryside views provide a wonderful sense of privacy and tranquillity rarely found.

A particularly valuable addition is the fully serviced detached lodge, a modern permanent caravan that is

fully plumbed in and connected to services. Ideal as a granny annexe, guest accommodation or independent living space for extended family, it offers fantastic versatility for multi-generational living.

Further benefits include a detached garage, extensive off-road parking for numerous vehicles, UPVC double glazing and oil-fired central heating.

Properties offering this combination of character, generous grounds, a fishing lake, countryside views and flexible ancillary accommodation rarely become available.
