Plot 6 is a three bedroomed detached bungalow with a double garage, generously sized driveway, parking and garden, situated in the most delightful semi-rural community of Middletown. This plot is one of the largest bungalows available from Primesave.

The architect designed internal accommodation will provide a spacious lounge, dining room, kitchen, utility room, 3 good sized bedrooms with fitted wardrobes (one with ensuite) and a family bathroom.

Outside, the property will be complemented by a garden, double garage and a generously sized driveway.

All new Primesave homes are traditionally built incorporating the latest high-performance insulation to the floors, walls, windows and roof. Solar panels are included as standard together with an EV charging point. For your safety there are mains powered smoke alarms and a fire suppression sprinkler system. The property will further benefit from double glazed windows and doors throughout, low maintenance uPVC window frames and soffit boards, and will be presented for sale with the benefit of a 10 year structural guarantee.

The sale of Plot 6 Breidden Fields does, therefore, provide an extremely rare opportunity for purchasers to acquire a newly constructed property which will be completed to a high standard, situated in a desirable and sought-after development.
