Upstairs is where the extension really comes into its own. The bedrooms are noticeably larger, giving everyone their own comfortable space. The main bedroom benefits from fitted wardrobes, ticking that all-important storage box, while the remaining rooms are equally versatile — perfect for family, guests or working from home.

The family bathroom is designed with practicality in mind, featuring both a separate shower and bath — because sometimes you need quick and convenient, and other times you want to relax and unwind.

Additional benefits include a combi boiler for efficiency and driveway parking, making day-to-day living that bit easier.
