A well-positioned three-bedroom semi-detached house enjoying a beautiful outlook over open fields to the rear, together with attractive views to the front.

This appealing home offers spacious and versatile accommodation, making it an excellent choice for families, first-time buyers or those looking for a property with a pleasant semi-rural outlook.

On the ground floor, the property features a welcoming entrance hall with bedrooms branching off which are all good sized doubles. Continuing through the property you come to a tastefully decorated and practical bathroom. At the rear of the home you will find the kitchen, complete with plenty of worktop space and storage, and a generous lounge/dining room which features at its heart a beautiful wood burning stove. The large sliding doors in this room look out to the garden and fields beyond, providing an ideal space for relaxing.

The rear garden of the property backs directly onto open fields, creating a wonderful sense of space and offering an attractive setting that is increasingly difficult to find. There is also a patio area which is a great entertaining space.

To the front, the property benefits from a private driveway and garage, providing valuable off-road parking and storage.

With open views to both the front and rear, this is a property that combines practical family accommodation with an enviable position.
